

## Members of our newly formed Green School Students' Council

We are delighted to introduce the new members of our Green School Students' Council. These boys and girls from 3rd-6th class will meet with Ms. Tarbett and Mr. Caulfield monthly to discuss ways to make our school even better for everybody.

## Help Wanted!

If you'd like to help out with running our school library please email [info@stfintansns.ie](mailto:info@stfintansns.ie) and we'll be in touch. Thanks!

## Traffic Safety in Our School

The Board of Management are currently in the process of sourcing signs which will display that only staff vehicles may park and enter school grounds between 8am and 4pm. This is for safety reasons so please respect this rule. Please continue to drive and park safely in the vicinity of the school and thanks to the vast majority of parents who already do this.

*The winners of the recent Parents Association Quiz being presented with their prizes!*

## Www.stfintansns.ie to launch in November

In a tweak to our planned date, our new school website for parents is now scheduled to launch in November. It'll be worth the wait!

*A group of our 5th class pupils enjoying their orienteering trip to Newbridge House in early October*

*Thanks to the school parents above who kindly came down to school earlier this month to help prepare the ground for our pupils to plant daffodils.*

## Getting ready for Christmas Early!

Above, we see a group of helpful mams who came to school this month to help our infant pupils to make their Christmas cards. All Fintan's pupils have now made a card which has gone to the printers. The cards will be available to purchase closer to Christmas.

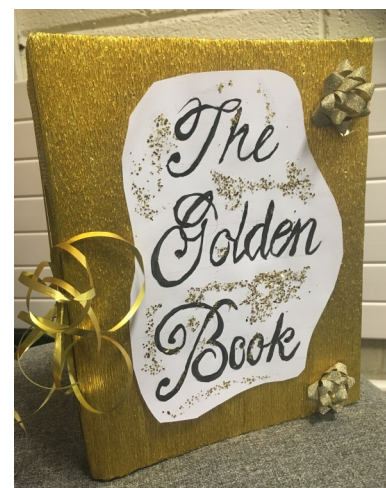

## Supported by Our Community

Garda Larry, our Community Garda, made time to speak to our 4th, 5th and 6th class pupils this past week about the importance of keeping safe this Halloween.

Thanks also to Fr. Liam our Parish Priest who presented two talks this past month for parents of children preparing for the sacraments of Communion and / or Confirmation.

## St. Fintan's NS - A Happy, Super School!

## Introducing our new Golden Book!

At each monthly assembly, we will give a special mention to some children who have shown exceptionally positive values during the past month in school - for example displays of kindness, care and positive attitudes. These will be recorded in our new "Golden Book".
