April and May Newsletter

We've been very busy in St.Fintan's NS since our last newsletter. Our 6th class pupils made their Confirmation, our boys and girls senior football teams won their Fingal League finals, our 4th class groups visited the Botanic Gardens...and lots, lots more! Read-on to keep in touch with the goings-on in our great school!

St.Fintan's Footballers Win on the Double!

In super style, this week our boys and girls football teams won their Fingal League Football Finals in Abbotstown! The finals came after a long season of matches with lots of titanic tussles along the way to get this far. In the finals, the boys played St.Marnock's NS and the girls played Gaelscoil na Míde. Both matches were very close at first but our super skills came through in the end! It was a great sunny day, with great support and 2 trophies to take home! Well done to all involved!

St. Fintan's NS Wins European Waste Reduction Award in Brussels!

Earlier this year, you may remember that our 4th and 5th classes made some very cool environmentally friendly cleaning products. Our great work has been judged as the most "impactful action"!!! We competed against schools all across Europe and in Brussels on Wednesday 15th May we won!

Thanks and well done to all involved including the parent helpers!!!
